

Albuquerque Interior

Project Histories:

Name of Project: University of New Mexico (UNM) Children's Hospital
Location: Albuquerque, NM
General Contractor: Jaynes/JE Dunn
Owner: University of New Mexico
Scope of work: Interior/Exterior Framing, Drywall & Finishes

Name of Project: Microsystems and Engineering Sciences Applications (MESA) Microlab
Location: Kirtland Air Force Base, SNL, Albuquerque, NM
General Contractor: Hensel Phelps
Owner: Sandia National Labs
Scope of work: Interior/Exterior Framing, Drywall & Finishes

Name of Project: Center for Integrated NANO Technology Lab
Location: SNL, Kirtland Air force Base, Albuquerque, NM
General Contractor: Hensel Phelps
Owner: SNL
Scope of work: Interior/Exterior Framing, Drywall & Finishes

Name of Project: Thermal Test Complex
Location: SNL, Kirtland Air Force Base, Albuquerque, NM
General Contractor: Hensel Phelps
Owner: Sandia National Labs
Scope of work: Interior/Exterior Framing, Drywall & Finishes

Name of Project: Intel Fab 11West Conversion
Location: Rio Rancho, NM
General Contractor: Austin Commercial
Owner: Intel Corp.
Scope of work: Complete Semiconductor Fab, Demo, Rebuild of Floors, Walls & Ceilings

Continued on Page 2

Name of Project: P-1266 Basebuild (Mod #3)
Location: Rio Rancho, NM
General Contractor: Hoffman of NM
Owner: Intel Corporation
Scope of work: Complete Semiconductor Fab, Demo, Rebuild of Floors, Walls & Ceilings

Name of Project: P-1260 Tool Install
Location: Rio Rancho, NM
Owner: Intel Corporation
Scope of work: Architectural Tool Installation, Support of Semiconductor Production Equipment To Include Floor, Wall & Ceiling Modifications

Name of Project: P-1262 Tool Install
Location: Rio Rancho, NM
Owner: Intel Corporation
Scope of work: Architectural Tool Installation, Support of Semiconductor Production Equipment to Include Floor, Wall & Ceiling Modifications

Name of Project: Fab 11S Mod 4
Location: Rio Rancho, NM
General Contractor: Hoffman of NM
Owner: Intel Corporation
Scope of work: Complete Semiconductor Fab, Demo, Rebuild of Floors, Walls & Ceilings

Name of Project: Intel Fab 11X Gown Room
Location: Rio Rancho, NM
General Contractor: Hoffman of NM
Owner: Intel Corporation
Scope of work: Installation of Cleanroom Related Architectural Components to Support Newly Built Gown Room Facility & to Support Site
