

# San Diego Marine

## PROJECT HISTORIES:

**Name of Project:** T-AKE Dry Cargo / Auxiliary Program (14 Total Ships)  
**Location:** San Diego, CA  
**Owner:** General Dynamics / NASSCO  
**Awards or Recognitions:** Numerous Awards for Safety, Environmental & Supply Chain Excellence  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Mechanical Insulation (Chill Water, Ducts), Industrial (HT Exhaust Work)  
**Other:** Largest Program in the 50 Year History of our Branch

**Name of Project:** British Petroleum Alaska Class Tankers (4 Total Ships)  
**Location:** San Diego, CA  
**Owner:** General Dynamics / NASSCO  
**Awards or Recognitions:** Awards for Safety & Environmental Efforts  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Industrial Work (High Pressure Steam, Condensate, Heated Oil Lines, Exhausts)  
**Other:** Branch's First Tanker Program in Almost 20 Years

**Name of Project:** Totem Ocean Trailer Express Ro / Ro Tankers (2 Total Ships)  
**Location:** San Diego, CA  
**Owner:** General Dynamics / NASSCO  
**Awards or Recognitions:** Awards for Safety  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Industrial Work (High Pressure Steam, Condensate, Heated Oil Lines, Exhausts)  
**Other:** This Program was the First Commercial Shipbuilding Project at NASSCO in 10 Years  
Difficult Working Environment

**Name of Project:** SLN Strategic Sealift Program (8 Total Ships)  
**Location:** San Diego, CA  
**Owner:** National Steel and Shipbuilding (NASSCO)  
**Awards or Recognitions:** Numerous Safety Awards, Subcontractor Efforts  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Mechanical Insulation (Chill Water, Ducts), Industrial (Gas Turbine Exhaust Work)  
**Other:** Last Major Program Under NASSCO Prior to the Shipyard Being Purchased  
by General Dynamics

Continued on Page 2

**Name of Project:** PC-1 Product Tankers (9 ships currently under contract)  
**Location:** San Diego, CA  
**Owner:** General Dynamics / NASSCO  
**Awards or Recognitions:** Program is Currently Under Construction, Awards will Follow  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Industrial Work (High Pressure Steam, Condensate, Heated Oil Lines, Exhausts)  
**Other:** First Program at GD NASSCO Using a Korean Ship Design

**Name of Project:** SLC Strategic Sealift Ships - Conversions (3 ships total)  
**Location:** San Diego, CA  
**Owner:** National Steel and Shipbuilding (NASSCO)  
**Awards or Recognitions:** Safety Excellence  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Mechanical Insulation (Chill Water, Ducts), Industrial (Gas Turbine Exhaust Work)  
**Other:** Conversion of Existing Bulk Carrier to a Ro/Ro Ship for MSC. Good Preparation for SLN Program that Followed

**Name of Project:** AOE Supply Class Combat Support Program (4 ships total)  
**Location:** San Diego, CA  
**Owner:** National Steel and Shipbuilding (NASSCO)  
**Awards or Recognitions:** Safety Excellence  
**Scope of Work:** Structural Insulation (Thermal, Acoustic & Fire Protective)  
Mechanical Insulation (Chill Water, Ducts), Industrial (Gas Turbine Exhaust Work)  
**Other:** Difficult Program with Contractual Claim Issues Interrupting the Last Ship in the Class
